

# The Poetic Evangelist Presents *Quiet Time*

A poetic worship song that helps to  
usher you into HIS presence.

Quiet Time  
Void of noise  
Lack of movement  
Stillness  
No interruptions  
No break of focus  
Before His majestic presence

Quiet Time  
No sound  
Attentive to hear  
From just One  
Him  
By drawing near to  
Just Him  
You know His voice  
Don't speak  
Just seek Him  
With your whole heart  
Come close  
Be patient  
Await the sound of  
His sovereign voice

Quiet Time  
Inaudibly seeking  
A word of instruction or  
Confirmation  
Humbly approaching  
His matchless face  
For comfort  
Healing  
Or just relief  
From the stressors of life

Quiet Time  
Unspoken  
Intimate communion  
Loving on your God  
Who loves to love on you  
Experiencing  
Serenity  
Tranquility  
Listening  
To receive  
From The Father

Quiet Time  
A time to be  
Strengthened  
Cleansed  
A time to receive  
Guidance  
Deliverance  
Direction  
Assignments  
Answers to prayers  
During these times  
You experience  
His presence  
You receive  
His message  
You bathe in His glory  
You cling  
To every moment  
You've shared

Quiet time...  
He'll meet you there
